Dedication ................................................................. iii
Preface ................................................................. v

## CHAPTER 1

**Introduction: New Law for New Technology**

§ 1.01 “Cyberspace Law:” A Premature Baby? .......................... 1-1
§ 1.02 The Digital Millennium Copyright Act:
   A New Departure .................................................. 1-5
   [1] The Deficiencies in Copyright Enforcement
       Addressed by the Millennium Act .......................... 1-10
       Technologies .................................................... 1-15
   [3] The Dangers of Focusing on
       Copy-Control Technology ................................. 1-28.1

## CHAPTER 2

**Legal Reinforcement of Technological Measures for
Protecting Copyrighted Works: The Anti-Circumvention
Rule and the Anti-Trafficking Rules**

§ 2.01 Introduction ..................................................... 2-2.2
§ 2.02 Implementing the Two WIPO Treaties:
   Practical and Policy Risks ....................................... 2-3
§ 2.03 The Millennium Act’s Rules: Classification
   and Terminology ................................................ 2-11
§ 2.04 The Anti-Circumvention Rule ................................. 2-15
   [1] Strength of the Rule ....................................... 2-29
   [2] Delayed Effective Date ................................. 2-34
[a] The Librarian’s Rulemaking Power......................... 2-43
[b] The Librarian’s Year-2000 Exemptions ................. 2-51
[i] Exemption for Lists of Web Sites Blocked by Screening Software 2-52
[ii] Exemption for Literary Works Blocked by Obsolete or Malfunctioning Access-Control Measures 2-53
[iii] Denied Exemptions ........ 2-56
[c] The Librarian’s Year-2003 Exemptions .................. 2-56.3
[i] Modified Exemption for Screening Blacklists ................ 2-56.5
[ii] Exemption for Computer Programs to Which Access is Blocked by Malfunctioning, Obsolete Dongles .......... 2-56.8
[iii] Exemption for Computer Programs and Video Games in Obsolete Formats that Require Original Media or Hardware for Access .......... 2-56.10
[iv] Exemption for Literary Works in eBook Format with Both “Read-Aloud” and “Specialized Format” Features Blocked ........ 2-56.15
[v] Denied Exemptions ........ 2-56.18
[d] The Librarian’s Year-2006 Exemptions .................. 2-56.26
[e] The Librarian’s Year-2010 Exemptions .................. 2-56.30
[f] The Librarian’s Year-2012 Exemptions .................. 2-56.33
[g] The Unlocking Consumer Choice and Wireless Competition Act of 2014 ............ 2-56.39
